

THE UNIVERSITY  
of ADELAIDE

# International Partners Week

## Invitation

*Monday 30 April - Saturday 5 May 2018*

*Hosted by Student Recruitment and Admissions Services*

Dear Prof Ma,

It gives me great pleasure to invite you from China Agricultural University to participate in our inaugural International Partners Week in Adelaide.

The key objective of the International Partners Week is to support the internationalisation strategy at both institutions by exchanging ideas and exploring opportunities for international articulation and joint programs. In addition, this will be a great opportunity for you to have a better understanding of the University's facilities, teaching resources and student services, and to experience the city of Adelaide. We will also be able to learn more about your students from China Agricultural University who wish to study at the University of Adelaide.

The University will meet all travel and accommodation costs, including a return international economy class airfare.

If there are any matters you would like to discuss regarding this invitation, I invite you to contact Sue Ng, Country Manager, on +61 8 8313 38048 or via email at [sue.ng@adelaide.edu.au](mailto:sue.ng@adelaide.edu.au)

I look forward to working with you during your time in Adelaide.

Yours sincerely

Richard Geddes  
Director, Student Recruitment and Admissions Services
